Coordinates - ELDS + New London Niantic Boulder areas (Submitted 08Apr1....xlsx removed.txt

Jeanie,

I've attached a zip file containing two shapefiles for the disposal sites as referenced in the attached spreadsheet from Bernward's email thread below:

2016-APR-08_Disposal Sites: polygon file delineating the disposal site boundaries and boulder areas, and

2016-APR-08_Coordinates_LL: point file for the coordinates of the site extents and boulder areas.

Both shapefiles are in geographic coordinates.

Please let me know if you have any questions.
